

ALICE Receptionist

SMALL & MEDIUM BUSINESS

Take back control of your office lobby with ALICE, a Virtual Receptionist that greets visitors when they enter your building and notifies employees of their arrival.

Starting at only
\$299/month

Less than
\$10/day

Let ALICE be your office's Virtual Receptionist. ALICE greets visitors to your building, checks them in and connects them with employees for live 2-way video or audio-only communications.

Benefits

- ▶ Employees easily monitor lobby from their desks.
- ▶ ALICE greets visitors as they arrive.
- ▶ ALICE notifies employees of visitors' arrival.
- ▶ Employees see live video of visitors in lobby before they connect with visitors through ALICE.
- ▶ Visitors no longer feel "lost" when they enter an empty office lobby.
- ▶ Employees feel more secure knowing visitors will be greeted by ALICE.
- ▶ ALICE can also call employees who are out of the office to connect with visitors.
